Bio

Tyson Faifer is best known as the first comedian to ever compete on NBC's American Ninja Warrior and you may recognize his face from your favorite reality dating shows... most recently on ABC's The Proposal. Tyson's act has been described as smart, witty, and a ball of energy, covering topics such as his love of the 90's, growing up on the Mexican border, and the struggles of living in your early to mid/late thirties. His first comedy special was recorded in 2017 for Ride TV and can be seen by tens of people who actually have that channel. Now living in Los Angeles, Tyson has been touring the country and is on his way to a city near you. In the meantime, you can still find him on reruns of WeTV's Million Dollar Matchmaker, Fox's Love Connection, The Steve Harvey Show, Ford Mustang Speed Dating Viral Video, Judge Hatchett, and SoulPancake's Date My Dog.
